## THE FARM

*THE FARM* is a 10-acre vineyard in Niagara's Twenty Mile Bench, planted to Pinot Noir. The property is rooted in traditions of gathering family & friends, and where Peter and Dora Neudorf call home. The cellar door opens once a year for guests to taste new releases, and enjoy live music and local food.

## THE WINE

80% barrel aged in neutral 228L French oak barrels for 16 months to achieve rounded smooth tannin. 20% in tank at cool temperature to promote bright primary fruit character. It was blended 2 months before bottling and was bottled unfiltered. This Pinot Noir is blended from terroirs across the Niagara Peninsula, using "fruit from friends".
